What is the Wyoming Business Alliance?

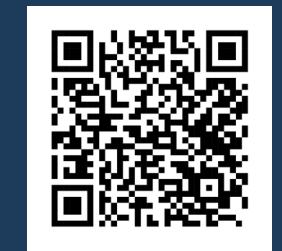

MISSION:

The Wyoming Business Alliance supports public policy and legislation that enhances a sound business environment and promotes economic expansion. We advocate for a growing economy by standing for business interests, connecting business leaders from across Wyoming, and partnering with key business organizations and trade associations.

VISION:

Wyoming Business Alliance members represent all industries of the state and employ thousands of people. The Alliance serves its members as Wyoming's premier business advocate and proponent. It provides a unified voice for business and advocates for policies that help all businesses grow.
